

IT'S HARVEST TIME

You're Ready to Manicure
Your Valuable Crop...
But Is It Going to Be Fun and Fast,
Or Lots of Hard Work?

You'll be relaxed and happy watching Trim
Reaper™ take your untrimmed flowers and
transform them from leafy raw diamonds into
perfectly-manicured sparkling gems.

Trim Reaper's™ quality manufacturing standards
are guaranteed to give you trouble-free operation,
and that's why this powerful, portable, lightweight
machine is guaranteed for one year to be free of
any defects in parts or workmanship. You'll see
easier, faster harvests and your flowers will be
trimmed the way you want them to be trimmed
without any of the worries that come from using
human trimmers, or your money back.
