## Overdrive Your Plants For Their Strongest Finish

During the final weeks of bloom phase your plants need the ingredients in Overdrive to maintain flower maturation, flower growth, and overall vigor. Many growers neglect the last weeks of bloom phase, but now you can kick it into Overdrive for a strong finish and get bigger smiles at harvest time.

Overdrive has been specially designed for use with all hydroponics, sphagnum, coco coir and other growing media.

Overdrive has been developed for use with any and all hydroponics and continuous liquid feed growing systems (aeroponic, drip irrigation, NFT, flood & drain, drip emitters).
